All information on this page - excluding Star Ratings, verified specialisations and Residents' Experience - is entered and maintained by Arcare Helensvale St James, who is responsible for ensuring the information is accurate, complete and up to date.

The Department of Health, Disability and Ageing assess the quality of care at all government-funded aged care homes. Based on these assessments, each home receives a Star Rating as a simple way of showing information about the quality of care they provide and how they compare to others. Read more about Star Ratings.

If you pay a refundable accommodation deposit or a refundable accommodation contribution, they may be subject to retention. Any daily accommodation payment you make may also be subject to indexation. Learn more about aged care home costs and fees.

Specialisations with a check mark symbol are verified by the Department of Health, Disability and Ageing. Each verification lasts for 3 years from the date it was granted. Once it expires, providers can apply again if they want to continue to be recognised for a specific specialisation on the Find a Provider tool.
